

While the feminist movement has accomplished many things, reaching the higher levels of business is still a struggle for women today. Young women need to develop unique skills to work alongside men successfully which will insure their careers have a chance to progress. This book is not a discussion about topics discussed in MBA programs or training classes held by your Human Resources department. This book validates the differences between the sexes in the workplace, discusses the tricky topics about women in business and teaches young women how to progress into their professional futures. FITTING IN & STANDING OUT IS A MUST READ FOR ANY WOMAN ENTERING THE BUSINESS WORLD.
