

Take a look at the area where you store research. Has it taken over your desk, forcing you to work around piles of paper? Or even worse, have the papers begun to claim floor space, secretly plotting to trip you in the middle of the night? Or perhaps you have not yet begun the process of researching, but would like a way to organize it when doing so. Either way How to Reach an Organized Research Paradise (And Keep it that Way) will help you clear the clutter, and save hours of time avoiding scouring the mountains of paper for one thing. Are you living in a organized research Paradise yet?
